*** Contract season July 2021 – April 30, 2022*** When the total amount of contracted gallons has been delivered, any additional gallons will be billed at the current market price. All contracts customers must be on automatic delivery. **The account will remain on automatic delivery after the contract expires or the contracted gallons are delivered unless CVF receives WRITTEN NOTIFICATION of a request for change in delivery status at the end of each contract period.** Any credit balance remaining at the end of the contract period will be applied to future gallons delivered at market price. If the customer prefers a cash refund, CVF and customer agree that CVF shall be entitled to a fee of 25% of the contract credit balance if early cancelation of contract by customer. CVF agrees to pay credit refund requests within 30 days of contract end date, if requested. This contract is made with the above signed customer and Champlain Valley Fuels, 185 Exchange Street in Middlebury, Vermont.
